

OPPORTUNITY EXISTS!

School and Community Music is offering this exciting opportunity for students from beginners to advanced to further develop their skills and broaden their musical experience under the guidance of highly qualified and experienced professional musicians and teachers.

Three days of fun and music. Come along and learn to drum both taiko and African as well as tuned percussion, improvisation, beginner and advanced guitar, get the edge with your music studies and come along to a composition class taken by Greg Smith or take a class in conducting. Tailor the three days to suit your playing style and instrument.

The school's emphasis will be on music for Big band/stage band/concert band, small ensembles and solo performances. Students will be placed in appropriate ensembles for their age, experience and playing ability.
