

NVHS BAND NEWSLETTER – JANUARY 2008

Hi everyone

Yes it is back to the grindstone with the new school year starting – where did those holidays go!

An exciting year ahead for the ensemble groups. Attached is a timetable to give everyone some dates for the diary together with the dreaded fees which we have been able to keep much the same.

First Band will be on Friday first week back for all groups. A new timetable will be handed out to all students on that day.

There are some changes to the ensemble groups with the formation of a jazz band, beginners groups, students progressing to higher groups etc.. If there are any queries, please do not hesitate to contact me.

The first parent meeting will be on Thursday 7th February at 6.15 p.m. An agenda is attached to this newsletter. Please email if you want anything added to it.

Re: Band Nationals. Helen and Paul Norval, Rose and Roger Shallow and myself will be working out final details. More information will be available once we have the draw from the organisers. There will be some fund raising in the next few weeks as the competition is fast approaching.
